

We design, build, and manage digital signage
solutions that connect, inform, and inspire.

28+ years.
Endless
innovation.

Our mission

To transform complex digital
signage needs into seamless,
high-impact **experiences.**

Because the right message, delivered at the right moment, can change behavior, build loyalty, and strengthen culture. We believe in blending technology with creativity to save time, build trust, and deliver measurable results.

More than clients

Driven by love

Our passion is serving the people behind the brands,
building trust, and celebrating every success **together.**

CLIENT PROFILE / CORPORATE

Corporate digital wayfinding for **LinkedIn**, the world's largest professional network.

What we did

CMA delivered a digital wayfinding solution for LinkedIn's global operations campus in Sunnyvale, CA—**enabling employees to easily search for conference rooms** and amenities.

Digital Signage
