Our mission

To transform complex, connected  
business technologies into  
seamless **experiences.**

From digital signage to professional audio/video and  
integrated security systems, the right solution at the right  
moment can influence behavior, elevate environments, and  
strengthen operations.

More than clients

# Driven by love

Our passion is serving the people behind the brands,  
building trust, and celebrating every success **together.**

CLIENT PROFILE / CORPORATE

# Corporate digital wayfinding for **LinkedIn**, the world's largest professional network.

What we did

CMA delivered a digital wayfinding solution for LinkedIn's global operations campus in Sunnyvale, CA—**enabling employees to easily search for conference rooms** and amenities.
